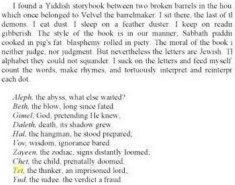
TRANSLATOR'S NOTE:
THESE ARE DIFFERENT FROM THE ORIGINAL TRANSLATION, BUT ARE MORE CORRECT. SOURCE:



I found a Yiddish storybook between two broken barrels in the hou which once belonged to Velvel the barrelmaker. I sit there, the last of t demons. I eat dust. I sleep on a feather duster. I keep on readi gibberish. The style of the book is in our manner. Sabbath puddi cooked in pig's fat: blasphemy rolled in piety. The moral of the book i neither judge, nor judgment. But nevertheless the letters are Jewish. T alphabet they could not squander. I suck on the letters and feed myself count the words, make rhymes, and tortuously interpret and reinterpr each dot.

Aleph, the abyss, what else waited?
Beth, the blow, long since fated.
Gimel, God, pretending He knew,
Daleth, death, its shadow grew.
Hal, the hangman, he stood prepared;
Vov, wisdom, ignorance bared.
Zayeen, the zodiac, signs distantly loomed;
Chet, the child, prenatally doomed.
Tet, the thinker, an imprisoned lord;
Yud, the judge, the verdict a fraud.

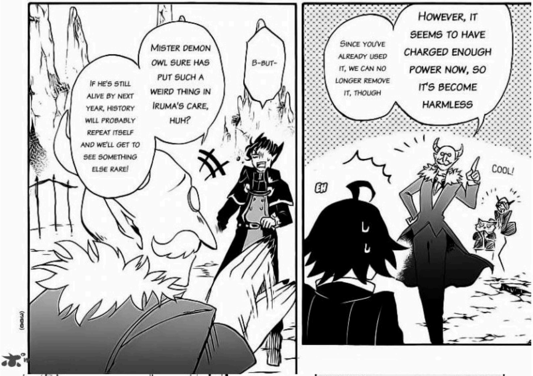
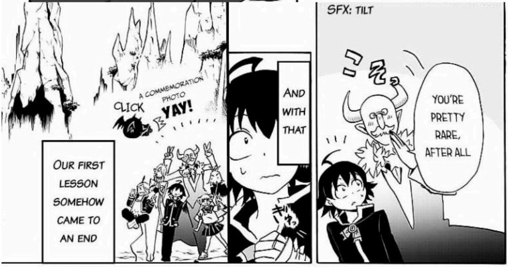
"THE RING OF GLUTTONY"
IT'S A DEMON TOOL THAT CAN CONTAIN THE USER'S MAGIC POOL, HOWEVER,
IT DOESN'T YET POSSESS MUCH POWER, AND SO IT INDISCRIMINATELY CONSUMED THE POWER OF THOSE AROUND IT



However, it seems to have charged enough power now, so it's become harmless
Since you've already used it, we can no longer remove it, though
Eh
Cool!
B-but-
Mister Demon Owl sure has put such a weird thing in Iruma's care, huh?
If he's still alive by next year, history will probably repeat itself and we'll get to see something else rare!



SFX: Tilt
You're pretty rare, after all
And with that
A commemoration photo

Our first lesson somehow came to an end

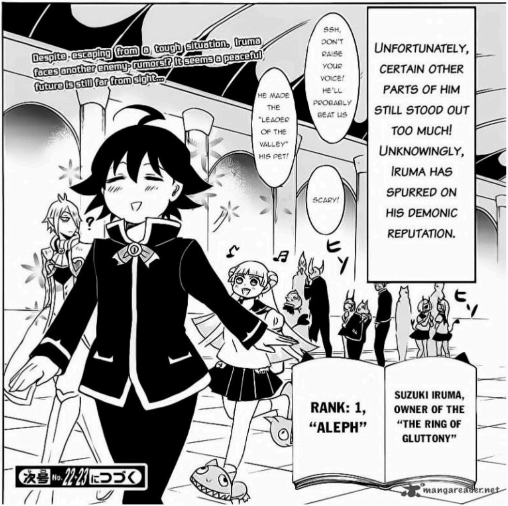
A lot happened, but...
Sigh...
This is the first time they've reasonably evaluated me...
The lowest score won't stand out much, thank goodness
Well, that's what Iruma thought, anyway
ザワ
Did you see him?
ザワ
Yeah, I did

SFX: Whisper, whisper

SFX: Chatter, chatter



Unfortunately, certain other parts of him still stood out too much! Unknowingly, Iruma has spurred on his demonic reputation.
Ssh, don't raise your voice! He'll probably beat us
He made the "leader of the valley" his pet!
Despite escaping from a tough situation, Iruma faces another enemy- rumors!? It seems a peaceful future is still far from sight...
Scary!
